

HALLITUS
PARTNERIT

**Insightful board
- successful company**

We are building a Finland with a successful and growing SME field

- ❑ We strengthen the competitiveness of the business community by developing the board work of SMEs
- ❑ Our customers are SMEs and those interested in board work
- ❑ Our members have strong experience in entrepreneurship and managing companies in a variety of change situations
- ❑ Our nationwide network includes **11** regional associations with **1 100+** members

Training

In collaboration with business interest groups and our other partners, we organize training and discussion events that open up opportunities for professional development, networking and new business opportunities.

More than **13 000** have already taken the HHJ (Certified Board Member) course.

Intermediation of Board Members

We provide external, independent board members to companies. We actively participate in the public debate on board work and promote effective board work by developing common practices and producing publications related to board work.
